

“Open to the Divine” Song Lyrics – August 2022

Call to Worship

“Here in This Place” - Music by Jerry Cergol, lyrics by Bonnie Chase, used with permission

*Here in this place we come together feeling the presence of God.
Here is this place one with each other, knowing who we really are.
Then we are called to carry our light and shine it all over the world.
Here in this place, we find acceptance.
Here in this place, we find connection.
Here in this place inside,
We find the presence of God.*

Opening Song

"Cornerstone", Words & Music by Daniel Nahmod, ©2016 ASCAP, CCLI License#9158

*I cannot build a castle or bridge. I cannot build a tower to the sky.
I cannot build the humblest home, without a cornerstone.*

*I cannot walk adrift in this world. I cannot sail the infinite ocean.
I cannot climb a mountain alone, without a cornerstone.*

*Something solid, something true; something never moving beneath me.
Something ancient, something new, on which I can rest completely.*

*I cannot go where I've never been. I cannot do the work that's mine to do.
I cannot climb that mountain alone, without a cornerstone.*

*Something solid, something true; something never moving beneath me.
Something ancient, something new, on which I can rest completely.*

*I cannot go where I've never been. I cannot do the work that's mine to do.
I cannot climb that mountain alone, without a cornerstone.
I cannot know the meaning of home, without a cornerstone.*

Meditation Song

"Knowing God More Fully" - Words & music by Bonnie Chase ©2022, used with permission

Knowing God more fully, more fully knowing God.

Nothing's more important to me.

Knowing God more fully, more fully knowing God.

Nothing's more important to me.

Offertory Song

"God in You, God in Me" - Words & music by John Hardesty ©2005 ASCAP/CCLI#9158

God in you, God in me, is the love that sets us free.

God in you, God in me is the Light we all can be.

It's the essence of us all, the whole of Humankind.

It's the source of all my good, the Universal Mind.

And, God in you, God in me, is the Truth of who we are.

God in you, God in me, is more powerful by far,

Than anything we can think or dream; it's the best that we can be.

And, so it is, God in you, God in me.

God in you, God in me, is the love that sets us free.

God in you, God in me is the Light we all can be.

It's the essence of us all, the whole of Humankind.

It's the source of all my good, the Universal Mind.

And, God in you, God in me, is the Truth of who we are.

God in you, God in me, is more powerful by far,

Than anything we can think or dream; it's the best that we can be.

And, so it is, God in you, God in me.

Closing Songs

"Let There Be Peace on Earth" - by Sy Miller and Jill Jackson ©1955 Jan-Lee Music, ASCAP/CCLI#9158.

"I Am the Light of God" - Words by James Dillet Freeman, Music by Richard Mekdeci, Empower Music License.

Let There Be Peace on Earth

*Let there be peace on earth, and let it begin with me.
Let there be peace on earth, the peace that was meant to be.
With God as creator family all are we.
Let us walk with each other in perfect harmony.*

*Let peace begin with me. Let this be the moment now.
With every step I take, let this be my joyous vow:
To take each moment, and live each moment, in peace eternally.
Let there be peace on earth, and let it begin with me.*

I Am the Light of God

*I am the light of God, I am the love of God
I am the power of God, I am the presence of God
Wherever I am, God is.*

*You are the light of God, you are the love of God
You are the power of God, you are the presence of God
Wherever you are, God is.*

*We are the light of God, we are the love of God
We are the power of God, we are the presence of God
Wherever we are, God is . . . And all is well!*
